

JOB PROFILE – Secondary Crew Chief

Are you looking to work for one of Canada's Best Managed Companies? Do you enjoy working with a close team of supportive professionals? Do you want to commit to an organization with an outstanding record for safety and reliability? Are you searching for an employer who provides amazing perks and works hard to provide a work-life balance for their employees? If so, look no further!! We proudly maintain the Harbour Air, Saltspring Air and Whistler Air fleet of aircraft in addition to numerous aircraft for our valued 3rd party customers.

WORK HOURS: shift work, 4 days on 3 days off.

LOCATION: YVR – Vancouver South Terminal.

TERM: Full Time

COMPENSATION AND BENEFITS: Competitive wage (licensed AME from \$31.74/hr - \$46.05/hr commensurate with experience), crew chief stipend, shift differential for shifts that end after 1800, training and opportunities for growth, extended medical and dental (for FTR employees), personal use of company aircraft for pilots or aspiring pilots, flight perks (including buddy passes and global inter-airline partnerships), revenue share program, RRSP matching program, discounts at local restaurants and travel partner organizations, personal use of automotive garage, generous uniform/boot allowance, yearly tool allowance, staff events and much more!

Responsibilities and Expectations

- Maintain, repair and overhaul aircraft maintained by the AMO
- Carry out all tasks per our MCM/MPM
- Assume all primary crew chief responsibilities in their absence.
- Assist the crew chief in training and coaching of Apprentice AME's, providing verbal and written feedback to members of the crew
- Assist the crew chiefs in reviewing labour hours for accuracy
- Carry out additional work as directed by PRM

Qualifications/Assets

- AME license, M1 required.
- Ability to multi-task and prioritize assignments in a fast paced and safety sensitive environment.
- Excellent communication skills, ability and desire to work as a leader in a team-based environment.
- Previous leadership/supervisory and mentorship experience an asset.
- Management training an asset
- Experience in conflict resolution performance management
- Committed to the four values of our company – Safety, Integrity, Customer Service and Team Spirit.
- Ability to carry out physically demanding tasks at both water and land bases in all weather conditions.
- Piston and Turbine engine experience (R985 and PT6).
- Ability to work flexible schedules including: evenings (currently latest finish time is 0030), weekends, and holidays.
- Aircraft Maintenance experience with DeHavilland DHC 2, DHC3(T), DHC 6, or Caravan 208B.
- Ability to carry out sheet metal repairs is an asset.

ABOUT HARBOUR AIR AEROSPACE SERVICES LTD.

Our Approved Maintenance Organization (AMO) was created almost 30 years ago and most recently went by the name Aeroelite International Services Ltd. It is recognized around the world as one of the leading authorities of the DeHavilland product. Department wide, our people have been working on and around aircraft for close to a millennium. We are extraordinarily proud of our Person Responsible for Maintenance (PRM) who was honoured in Wings magazine as one of the 'Top 20 under 40'.

ABOUT HARBOUR AIR GROUP

Launched in 1982, Harbour Air is North America's largest seaplane airline. It flies more than 450,000 passengers annually, including commuters and tourists throughout coastal British Columbia.

Our people are the backbone of our organization and we are committed to creating a culture that inspires one another to achieve extraordinary success. We have regularly been honoured as the recipient of numerous awards including Canada's Best Managed Companies, BC's Top 55 Employers, and Canada's 10 Most Admired Corporate Cultures.
